Ofosuwa Abiola,

We are pleased to accept your proposal for the 2018 ASALH Annual Meeting.

The title of your submission is, "Dancing Off Blackface: Vaudeville and the Construction of Black Identity in the World War I Era."

We will send you a link to review the tentative conference schedule as soon as it is available.

Please remember that ALL participants must be members of ASALH and register for the conference by July 20th. If you are submitting this paper on behalf of others, you assume responsibility for getting all participants to join the association and register for the conference. The deadline for conference registration is July 31, 2018. Any participants who is accepted but do not register for the conference by the deadline, will be removed from the program.

As a reminder: Regarding audio/visual equipment, ASALH only guarantees LCD projectors and screens to those persons who submitted completed panel sessions and requested A/V equipment during the initial call for papers. Internet access, speakers, and other equipment will not be provided by ASALH during the convention. If you submitted an individual paper, you ARE NOT guaranteed access to a projector or screen. If you did request A/V equipment during your initial proposal for a full panel, then you will have access to an LCD projector and viewing screen. Please note that for full panels that requested A/V equipment, ASALH provides only a projector and viewing screen. If you would like to access the internet, use speakers, or have any other equipment, you must contact the hotel directly and make arrangements. You will be charged accordingly for the equipment through the hotel as ASALH does not cover the charge for these independent audio/visual requests.

Finally, all important communication regarding the conference will be sent to the email address used during the submission process. Please check this email address regularly for any information or questions from the program committee regarding your session.
